

Global Settings: Tab 1 | Site Info

Townsquare Interactive

This first tab is a general setup that would show the Company Name, Title, and Tagline in the header and footer for the site.

The Social icon setup is to add all accounts needed for “Follow Us” modules used on the site, whether in the header, mobile nav, footer, or on the page.

The image is a screenshot of a web application interface for 'townsquare interactive'. The top navigation bar includes the company logo and several menu items: Design, Logos, Add Pages, Navigation, and Page Publisher. On the right side of the navigation bar are links for a report, settings, and an Admin user. The main content area is titled 'Global Settings' and contains three tabs: 'Site Info', 'Business Contacts', and 'Dashboard Info'. The 'Business Contacts' tab is currently selected. Under this tab, there are two sections: 'General Info' and 'Social Media Accounts'. The 'General Info' section has three text input fields for 'Company Name', 'Site Title', and 'Tagline'. The 'Social Media Accounts' section is divided into two columns. The left column has a toggle for 'Full Color Icons' (currently set to 'OFF') and a list of social media platforms with their respective icons: Facebook, Twitter, LinkedIn, LinkedIn Company, Google Plus, YouTube, Flickr, Vimeo, Pinterest, Instagram, Foursquare, and Tumblr. The right column has a 'Social Module Title' field set to 'Find Us' with an eye icon for visibility. Below this, there are input fields for each platform, typically split into a domain prefix (e.g., 'facebook.com/') and a 'Screenname' field. The 'Tumblr' platform is unique, with a 'Screenname' field and a separate field for the domain '.tumblr.com'. At the bottom right of the settings panel are 'Cancel' and 'Save' buttons.

Townsquare Interactive

The image is a screenshot of a web application interface for 'townsquare interactive'. The top navigation bar includes the company logo and a series of icons for 'View Site', 'Design', 'Logos', 'Add Pages', 'Navigation', 'Page Publisher', 'Posts', 'Forms', and 'Widgets'. On the far right of the navigation bar are icons for a table, a gear (settings), and a user profile labeled 'David Balogh'. The main content area is titled 'Global Settings' with a gear icon. Below the title is a horizontal tab bar with four tabs: 'Site Info' (with a globe icon), 'Business Contacts' (with a phone icon and currently selected), 'Calendars' (with a calendar icon), and 'Dashboard Info' (with a dashboard icon). The 'Business Contacts' section is titled 'Contacts' and includes a descriptive paragraph: 'When added, these contacts will show up in the contact page and module in the page publisher. Setting the primary contact will set that information for the main contact and phone number in the site's header and footer.' There are three contact cards. The first card is labeled 'Primary' and has a purple bookmark icon in the top right corner. It displays the address '123 Easy Street, Wonderland, NY 12345' and the phone number '(123) 456-7890'. It features an 'Edit' button with a pencil icon and a 'Set as Primary' button with a blue radio button. The second card is labeled 'Secondary' and displays the address '345 Easy Street, Wonderland, NY 12345' and the same phone number. It has an 'Edit' button and a 'Set as Primary' button with an unselected radio button. The third card is labeled 'Support' and displays the same phone number. It has an 'Edit' button and a 'Set as Primary' button with an unselected radio button. At the bottom right of the contact area is a purple button with a plus icon and the text '+ Add Contact'.
